

Plus Line Barrier System

Banner Stakes' PLUS Line Barrier System is an efficient way to establish areas of safety and to communicate important warnings quickly and with a concise message.

Set Includes:

- (1) Banner Head or Receiver Head
- (1) Stanchion
- (1) Base

Product Features and Benefits:

- 15' retractable belt Banner Head is made of 2.5" wide polyester fabric and includes 3 receiver slots for optimal barrier set-up in any configuration
- Height adjustable telescoping Stanchions have twist-off removable spike for dual-purpose use – in soft ground surfaces with spike or in Base by removing spike
- Barrier Set features push pin lock for added security and ability to easily interchange belts
- Low-profile Base includes carry handle for easy portability and can be filled with up to 18lbs of water or 25lbs of sand
- Receiver Head includes 4 receiver slots
- Largest belt assortment including over 20 safety-related messages featured in bold black lettering and 4 blank belts
- Option to brand and customize colors/messages to fit your needs
- Rust-proof allowing you to use the barrier system for all of your indoor and outdoor applications

Applications:

- Any job site, facility, manufacturing plant, event, etc. where caution tape, barrier systems and/or warning signs may be necessary.
